“PPRE Genggam Kontrak Baru sd Maret 2022 sebesar Rp1 Triliun”

Jakarta, 1 April 2022 – PT PP Presisi Tbk (PP Presisi, Perseroan) genggam kontrak baru sd Maret 2022 sebesar Rp1triliun atau meningkat sebesar 26% yoy dari Rp813,2miliar periode yang sama tahun lalu dan 8% melampaui target RKAP 2022 dari Rp946miliar menjadi Rp1triliun. Peningkatan signifikan perolehan kontrak baru tersebut diperoleh dari penambahan kontrak baru pada bulan Maret 2022 sebesar Rp444,1miliar. Penambahan kontrak baru Maret 2022 didapatkan dari penambahan kontrak baru secara berkesinambungan pada *mining development* Proyek Weda Bay Rp222,5miliar, Revitalisasi Bandara Halim Rp46,7miliar, KA Sumut Binjai Rp85,8miliar dan entitas anak PT LMA pada proyek Basic Engineering Design Road Hauling Rp72,6miliar.

“Awal triwulan 2022 yang menggembirakan bagi PP Presisi dengan perolehan kontrak baru meningkat sebesar 26% dari tahun sebelumnya, terlebih penambahan kontrak baru tersebut diperoleh dari proyek jasa pertambangan nikel yang kami kerjakan secara berkesinambungan serta proyek civil work baik dari PP Presisi maupun dari PT LMA. Perseroan akan terus berupaya dalam perolehan kontrak baru bahkan melebihinya dengan berfokus pada sektor pertambangan nikel dan proyek strategis nasional secara terintegrasi”, ujar Rully Noviandar, Direktur Utama PT PP Presisi Tbk.

“Sedangkan berdasarkan lini bisnis kontrak baru sd Maret 2022 diperoleh dari lini bisnis civil work Rp392,4miliar (38,4%), mining services Rp538,2miliar (52,67%), structure work Rp70,7miliar (6,92%), production plant dan rental heavy equipment Rp20,6miliar (2,01%). Sampai dengan Maret 2022, kontrak baru dari external mendominasi perolehan kontrak baru dengan kontribusi sebesar 95% berasal dari non PP group dan 4% dari group. Dengan dominasi perolehan kontrak baru yang didapat dari proyek eksternal – non PP group meningkatkan positioning Perseroan sebagai *main contractor* dari konstruksi sipil maupun jasa pertambangan. Dengan *competitiveness* tersebut, Perseroan optimis mampu mencapai target 2022 dengan menjadikan jasa pertambangan sebagai kontributor utama kinerja Perseroan serta sebagai *recurring income* yang turut menunjang *cashflow*”, tambah Rully Noviandar.

“Selain berfokus pada perolehan kontrak baru kami juga berfokus pada progress kinerja baik di pekerjaan sipil maupun jasa pertambangan, yang tercermin dalam perolehan kontrak baru secara berkesinambungan pada *mining development* Proyek Weda Bay”, ujar Darwis Hamzah selaku Direktur Operasi PT PP Presisi Tbk.

“PPRE Holds New Contracts until March 2022 of IDR 1Trillion”

Jakarta, 1 April 2022 – PT PP Presisi Tbk (PP Presisi, the Company) holds new contracts up to March 2022 amounting to Rp1trillion or an increase of 26% yoy from Rp813.2billion in the same period last year and 8% exceeding the 2022 RKAP target of Rp946billion to Rp1.1 trillion. The significant increase in the acquisition of new contracts was obtained from the addition of new contracts in March 2022 amounting to Rp444.1billion. The addition of new contracts in March 2022 was obtained from the addition of new contracts ongoing basis in the mining development of the Weda Bay Project of Rp222.5billion, Halim Airport Revitalization Rp46.7billion, North Sumatra Binjai Train of Rp85.8billion and subsidiary PT LMA in the Basic Engineering Design Road Hauling project of Rp72.6 billion.

“An encouraging start to quarter 2022 for PP Presisi with the acquisition of new contracts increasing by 26% from the previous year, moreover the addition of new contracts was obtained from nickel mining services projects that we are working ongoing basis as well as civil work projects both from PP Presisi and from PT LMA. The company will continue to seek new contracts and even exceed it by focusing on the nickel mining sector and integrated national strategic projects,” said Rully Noviandar, President Director of PT PP Presisi Tbk.

“Meanwhile, based on the new contract business line until March 2022, it was obtained from the civil work business line of Rp392.4billion (38.4%), mining services Rp538.2billion (52.67%), structure work Rp70.7billion (6.92%), production plant and rental of heavy equipment Rp20.6billion (2.01%). As of March 2022, new contracts from external sources dominate the acquisition of new contracts with a contribution of 95% coming from the non PP group and 4% from the group. With the dominance of the acquisition of new contracts obtained from external projects – non PP group, it has increased the Company's positioning as the main contractor for civil construction and mining services. With this competitiveness, the Company is optimistic that it will be able to achieve the 2022 target by making mining services the main contributor to the Company's performance as well as recurring income that also supports cashflow,” added Rully Noviandar.

“In addition to focusing on obtaining new contracts, we also focus on performance progress in both civil works and mining services, which is reflected in the continuous acquisition of new contracts for the mining development of the Weda Bay Project,” said Darwis Hamzah as Operations Director of PT PP Presisi Tbk.
