“PPRE Kantongi Kontrak Baru Awal Tahun 2022 Sebesar Rp333,5Miliar”

Jakarta, 4 Februari 2022 – PT PP Presisi Tbk (PP Presisi, Perseroan) raih kontrak baru awal tahun 2022 sebesar Rp333,5miliar atau meningkat sebesar 54% YoY dari Rp153,5miliar periode yang sama tahun lalu. Penambahan kontrak baru tersebut didapatkan dari penambahan kontrak baru secara berkesinambungan pada *mining development* Proyek Weda Bay dan *structure work* pada beberapa proyek gedung.

“Merupakan awal tahun yang menggembirakan bagi PP Presisi dengan perolehan kontrak baru tersebut berupa penambahan kontrak baru secara berkesinambungan dari proyek jasa pertambangan nikel yang telah kami kerjakan, serta kontrak baru dari pekerjaan *structure work*. Target perolehan kontrak baru PP Presisi di tahun 2022 tumbuh sekitar 10% dari pencapaian ditahun sebelumnya. Strategi dan kebijakan yang dilakukan Perseroan dengan berfokus pada jasa pertambangan maupun *infrastructure specialist* secara terintegrasi, dari proyek strategis nasional yang didapat melalui PP Group maupun Non PP Group khususnya pada sektor jasa pertambangan untuk mencapai target-target yang telah ditetapkan pada tahun 2022 dan meningkatkan pertumbuhan kinerja secara berkelanjutan, ujar Rully Noviandar Direktur Utama PP Presisi”.

“Dengan penambahan kontrak baru pada jasa pertambangan nikel secara berkesinambungan, kami optimis akan memperoleh kontrak baru pada jasa pertambangan melebihi target yang telah ditentukan seperti pada tahun 2021, dimana terjadi *shifting* perolehan kontrak baru dari *civil work* ke *mining services* dengan mendominasi komposisi kontrak baru 2021 sebesar 53% sedangkan *civil work* menjadi sebesar 41%, tambah Rully.

Kebijakan dan komitmen Pemerintah dalam mendorong hilirisasi sumber daya alam, membuka potensi pengembangan pertambangan dari hulu ke hilir, termasuk pembangunan infrastruktur pertambangan & smelter mendorong PP Presisi dengan kapasitas & kapabilitas yang dimiliki, PP Presisi optimis dapat menggarap potensial pasar jasa pertambangan yang besar tersebut dengan memberikan jasa pertambangan yang terintegrasi, antara jasa pertambangan dengan jasa pembangunan infrastruktur pertambangan sehingga akan memberikan *value added* bagi pemilik IUP. Dengan *competitiveness* tersebut, Perseroan mampu mencapai target 2022 dengan menjadikan jasa pertambangan sebagai kontributor utama kinerja Perseroan serta sebagai *recurring income* yang turut menunjang *cashflow*.

“PPRE Pockets New Contracts in Early 2022 of Rp333.5Billion”

Jakarta, February 4, 2022 – PT PP Presisi Tbk (PP Presisi, the Company) won a new contract in early 2022 of Rp333.5 billion or an increase of 54% YoY from Rp153.5 billion in the same period last year. The addition of new contracts was obtained from the addition of new contracts on an ongoing basis in mining development Weda Bay Project and structure work on several building projects.

“It is an exciting start for PP Presisi with the acquisition of the new contract in the form of continuous addition of new contracts from the nickel mining services project that we have worked on, as well as new contracts from structure work. The target for acquiring new PP Presisi contracts in 2022 growth of around 10% from the achievement in the previous year. Strategies and policies carried out by the Company focusing on integrated mining services and infrastructure specialists, from national strategic projects obtained through the PP Group and Non PP Group, especially in the mining services sector to achieve the targets set in 2022 and increase performance growth in a sustainable, said Rully Noviandar, President Director of PP Presisi”.

‘With the addition of new contracts for nickel mining services on an ongoing basis, we are optimistic that we will obtain new contracts for mining services exceeding the predetermined targets such as in 2021, where there will be a shift in obtaining new contracts from civil work to mining services by dominating the composition of new contracts in 2021 amounting to 53% while civil work is 41%, added Rully.

The Government’s policies and commitments in encouraging the down streaming of natural resources, opening up the potential for mining development from upstream to downstream, including the development of mining & smelter infrastructure, encourage PP Presisi with the capacity & capability it has, PP Presisi is optimistic that it can work on the huge mining service market potential by providing integrated mining services, between mining services and mining infrastructure development services so that it will provide added value for IUP owners. With this competitiveness, the Company is able to achieve the 2022 target by making mining services the main contributor to the Company’s performance as well as recurring income which also supports cashflow.
