“PP Presisi Dapatkan Piagam Penghargaan SHES Implementation”

Jakarta, 5 April 2022 – Kamis, 17 Maret 2022 PP Presisi mendapatkan Piagam Penghargaan dalam SHES Implementation pada Proyek MRT Jakarta dengan kategori Best Subcontractor on SHES Implementation. Proyek tersebut merupakan Proyek MRT Jakarta, dimana PP Presisi mengerjakan lingkup pekerjaan Borepile.

“Pada Proyek MRT Jakarta kami menerapkan aspek SHES disetiap pekerjaan sehingga mencapai *zero accident* sampai dengan proyek selesai, melalui program penggunaan APD lengkap, selalu melaksanakan *Tool Box Meeting* (TBM) sebelum pekerjaan dimulai, melakukan program inspeksi terhadap peralatan dan alat berat yang digunakan, melaksanakan *induction* pada pekerja baru, dan melaksanakan *campaign* SHES seperti pemasangan rambu-rambu dan papan informasi”, ujar Rully Noviandar, Direktur Utama PT PP Presisi Tbk.

“Sebagai perusahaan yang bergerak di bidang konstruksi, Kami menjadikan K3 sebagai prioritas utama dalam operasional usaha. Kami juga menetapkan kebijakan dan prosedur kerja untuk memastikan implementasi K3 di setiap lokasi kerja sesuai dengan Standard Operasional Prosedur (SOP) dan sesuai dengan persyaratan regulasi yang berlaku mengingat Kami juga telah mendapatkan Sertifikasi ISO 45001:2018 dan Sistem Manajemen Keselamatan dan Kesehatan Kerja dengan pencapaian 92,16% untuk Kategori Tingkat Lanjutan”. tambah Rully Noviandar, Direktur Utama PT PP Presisi Tbk.

Penerapan K3 scorecard juga Perseroan lakukan setiap tahun untuk mengukur kinerja pelaksanaan K3 yang meliputi pemeriksaan perencanaan dan dokumentasi *Health Safety and Environment*, pengendalian bahaya dan risiko, komunikasi dan sosialisasi *Health Safety and Environment*, aktifitas lalu lintas dan transportasi personel, alat pelindung diri, kesiapsiagaan tanggap darurat dan evaluasi medis, fasilitas penunjang, manajemen *housekeeping*, limbah dan lingkungan, aktivitas penggunaan alat berat, aktivitas pekerjaan, pekerjaan sipil, instalasi listrik, sampai dengan penanganan material B3 dan area workshop/area perbaikan alat berat.

“Diperolehnya penghargaan tersebut, tentunya tidak menyurutkan upaya kami untuk terus meningkatkan implementasi sistem HSE diseluruh lingkungan perusahaan, terutama pada lingkungan proyek. Melalui penerapan HSE yang baik, kami harapkan kepuasan pelanggan dapat terjaga dan akan memberikan imbal balik positif bagi kami dikemudian hari”, tutup Rully.

“PP Precision Receives SHES Implementation Award Certificate”

Jakarta, 5 April 2022 – Thursday, 17 March 2022 PP Presisi received a Certificate of Award in the SHES Implementation on the Jakarta MRT Project in the Best Subcontractor on SHES Implementation category. The project is the Jakarta MRT Project, where PP Presisi is working on the Borepile scope of work.

“In the Jakarta MRT Project, we apply the SHES aspect in every work so as to achieve zero accident until the project is completed, through a complete PPE use program, always carry out Tool Box Meetings (TBM) before work starts, carry out inspection programs on equipment and heavy equipment used, carry out induction for new workers, and implementing SHES campaigns such as installing signs and information boards”, said Rully Noviandar, President Director of PT PP Presisi Tbk.

“As a company engaged in the construction sector, we make K3 a top priority in business operations. We also establish policies and work procedures to ensure the implementation of K3 at each work location in accordance with Standard Operating Procedures (SOP) and in accordance with applicable regulatory requirements considering that we have also obtained ISO 45001:2018 Certification and an Occupational Health and Safety Management System with the achievement of 92,16% for Advanced Category”, added Rully Noviandar, President Director of PT PP Presisi Tbk.

The Company also implements the K3 scorecard every year to measure the performance of K3 implementation which includes inspection of Health Safety and Environment planning and documentation, hazard and risk control, communication and socialization of Health Safety and Environment, traffic and personnel transportation activities, personal protective equipment, response preparedness, emergency and medical evaluation, supporting facilities, housekeeping, waste and environmental management, activities using heavy equipment, work activities, civil works, electrical installations, up to B3 material handling and workshop areas/heavy equipment repair areas.

“Receiving this award, of course, does not dampen our efforts to continuously improve the implementation of the HSE system throughout the company, especially in the project environment. Through good HSE implementation, we hope that customer satisfaction can be maintained and will provide positive feedback for us in the future,” concluded Rully.
